Explanation of Responses:

- Each share of phantom stock is the economic equivalent of one share of the issuer's common stock, which may be transferred by the reporting person following a six-month holding period into an alternative investment available under the Directors' Deferred Compensation Plan.
- The original filing over-reported the number of shares exchanged by the reporting person out of the company stock fund in the Directors' Deferred Compensation Plan by 18 shares. This amended Form 4 is being filed to correct the number of shares in the transaction.
