This Agreement and the Plan set forth the final and entire agreement between the parties with respect to the subject matter hereof, which shall be governed by and shall be construed in accordance with the laws of the State of Hawaii, to the extent not governed by federal law. This Agreement shall bind and benefit Grantee, the heirs, distributees and personal representative of Grantee, and the Company and its successors and assigns. This Agreement may be signed in counterparts, each of which shall be deemed an original, and said counterparts shall together constitute one and the same instrument. <sup>2</sup> We consider all of our residential land loans, which are consumer loans secured by unimproved lots, to be of higher risk due to the volatility in the value of the underlying collateral.

<sup>3</sup> Higher risk home equity loans are defined as those loans originated in 2005 or later, with current monitoring credit scores below 600, and with original loan-to-value ratios greater than 70%.

<sup>4</sup> We consider all of our air transportation leases to be of higher risk due to the weak financial profile of the industry.
